where creativity grows

Join Scrap Addicts and play with alcohol inks and easy 3D card toppers and create these beautiful Christmas cards. You will get tips and techniques a plenty while you create 5 different backgrounds with alcohol inks using a variety of different surfaces.

Craft Along Kit Available: This kit is a \$75 value, and you can be purchased until September 26th for only \$60. The kit will not include the sentiments and foil/glitter papers used. You can use sentiments and foil/glitter from your own stash, or purchase along with your kit. If you wish to order extra glitter, foils and sentiments as add-ons to your kit, you will receive a discount code when you buy your kit.

Your kit will include most everything you need to create 10 cards! You have a choice of 3 different colour palettes – Winter Blue, Royal Red or Jolly Green.

Orders will ship on, or before September 4 so you will receive your kit in plenty of time to join us on September 26 and play along! You can also order AFTER the event and watch the archived video!
