

# Traveller's Notebook Mini Album

Friday - Sept 25th - 7:15pm

*Don't* know what a traveller's notebook is? That's okay! This class is for anyone, new or experienced. In this class we will cover the intention and use of a traveller's notebook, several layout techniques, and more. Both Suzy and Heather, co-owners of Wild Whisper, will be online to teach you all you want to know about the fun world of traveller's notebooks! You will be able to purchase your choice of several kits for this class that includes supplies to construct the notebook itself and to decorate it.
