INSTRUCTIONS

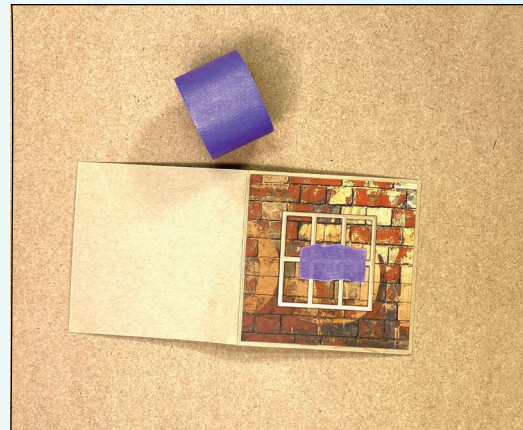

- 1 Create two square card bases from kraft coloured cardstock. Set aside.

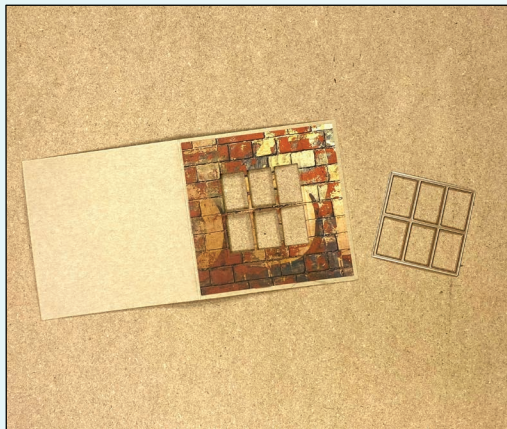

- 2 Using the Gina K. Designs Master Layouts 3 square die, cut out TWO stitched squares from kraft coloured cardstock and 1 stitched square from the patterned paper.

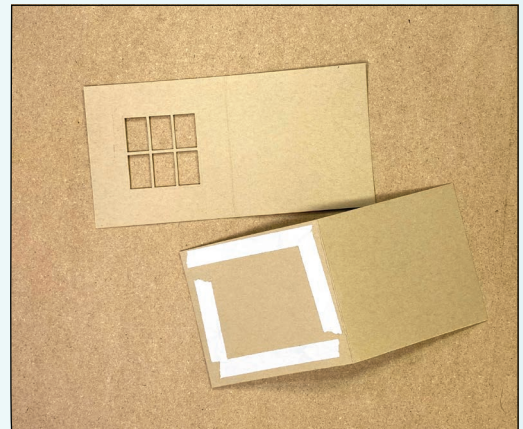

- 3 Adhere the patterned paper square to the front of one of the card bases set aside in Step 1.

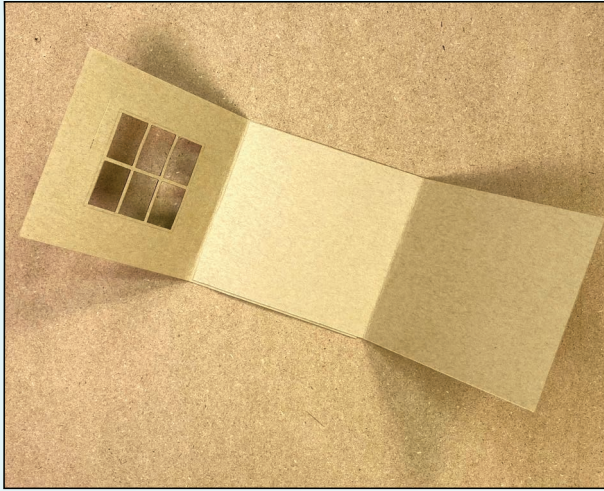

- 4 Position the window frame die in the center of the card front. Tack down with Purple Tape.

- 5 Run through a die cutting machine.

- 6 Apply double-sided tape to the back left-hand side of the second card base set aside in Step 1.

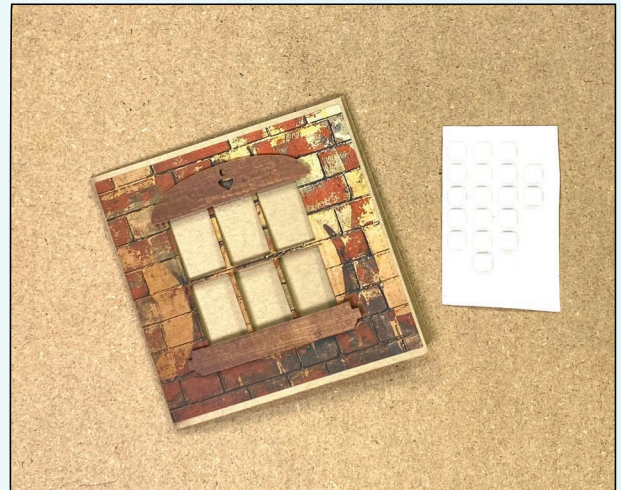

7 Remove the protective backing and adhere to inside panel of the window card base created in Step 5. This creates an incredibly easy tri-fold card. Set aside.

8 Die cut out a window from patterned paper.

9 Snip off the window shutters and set aside for a future project.

10 Adhere the top window panel and bottom panel to the card front set aside in Step 7. Pop them up with foam adhesive.

- 11 Apply a thin layer of Glossy Accents to the entire window frame and panels. Let dry.

- 12 On the two stitched squares set aside in Step 2, stamp the Lavinia images using black Archival ink.

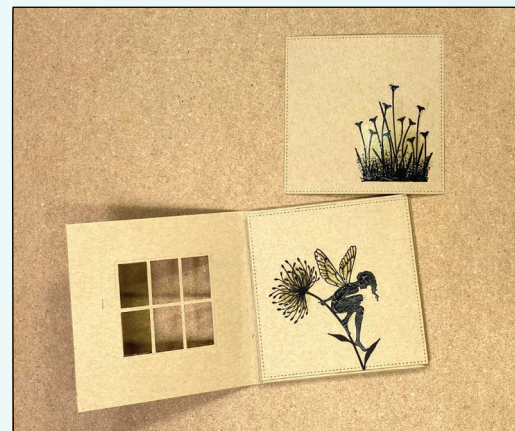

- 13 Using Dina Wakley Scribble Sticks, lay down two different colours on a piece of watercolour paper.

- 14 Add water to the colours with a wet paint brush. With a very light hand gently add colour to the stamped image. Let dry.

- 15 Using a fine tip paint brush, add Glossy Accents to the stamped images.

- 16 Adhere one of the stamped stitched squares to the back side of the tri-fold card.

- 17 Adhere the second stamped stitched square card to the middle inside of the tri-fold card.

- 18 Apply black Nuvo Drops to the front of the card.

- 19 Adhere the Ali Edwards vinyl sentiment to the front of the card using Glossy Accents. If you like, apply a thin layer of Glossy Accents over top the sentiment as well for a little shine!
