INSTRUCTIONS

- 1 Stamp the 6" x 6" background stamp using VersaFine black pigment ink and a piece of white Super Stock.

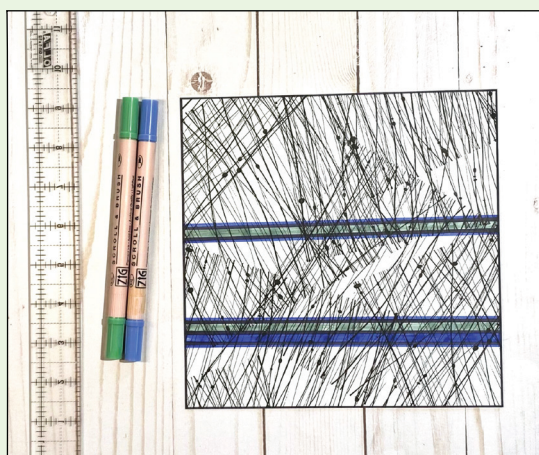

- 2 Repeat stamping the same image on the background, turning and overlapping to create new designs.

- 3 Edge the Super Stock with a chiseled marker, such as a Copic Marker.

- 4 Grab a ruler and black marker and create decorative stripes on the background.

- 5 Create more decorative lines and colour in the stripes, using coloured markers.

- 6 Adhere photos using 3D Foam Squares.

- 7 Fill TWO of the largest border stripes with Nuvo Crystal Glaze. Let dry.

- 8 Adhere Dew Drops EVERYWHERE, using Nuvo Deluxe Liquid Adhesive.

- 9 Die Cut out the title using Sizzix Thinlits alphabet dies and black mirror cardstock.

- 10 Assemble the layout as shown.
