Scan the QR Code to watch a Fast Forward Video of Jackie creating the base of this mini-tag album.

SCAN ME

CREATE A BASIC MINI-TAG ALBUM

1. Cut a piece of 12" x 5½" Simple Stories patterned paper.

2. Score the patterned paper at 3", 6" and 9".

3. Fold accordion style, and trim the edges using an OLFA craft knife and cutting mat.

4. Add stenciling and stamping to the front and back of the mini-album, using Ranger Tim Holtz Distress ink. Focus on the edges as the centres will be covered up.

5. Create 4 to 8 tags from Simple Stories patterned paper that are slightly smaller than the tags in the mini-tag album. Ink the edges with Distress ink and adhere to the base of the mini-tag album.

6. Decorate the front and back, using the Simple Stories Simple Vintage Christmas Lodge patterned paper, stickers, ephemera, and die cuts. Add some ribbon to create a closure.
