This class features the Simple Stories Simple Vintage Berry Fields Collection.

Join Tammy as she teaches you her amazing techniques for building an album from scratch using chipboard and paper.

Her techniques allow you to customize albums to your own needs and are visually stunning to look at with their flips, folds and tuck places. This one is great for beginners and experts alike – with Tammy's methods all are welcome!

Instructor: Tammy Ziolkowski

Craft Along Kits are Available for Purchase from The Paper & Ink Boutique

You can purchase the full kit to create alongside Tammy– complete with the chipboard and cardstock plus the 12 x12 Paper Collection, Simple Stories Simple Vintage Berry Fields Collection or you can choose the just the basics option where all the chipboard and black cardstock is included; then, you choose a collection of your own to complete the album.

Everyone constructs the album together and decorates the albums after the class – those who purchased the full kit will have plenty of pictures in the VIP Private Facebook Group to see how Tammy finished off her album.
