

## Throwback Sunday

### Just for You

Jackie Ludlage, Elk Point, Alberta

SUPPLIES: Stampin' Up! cardstock, Creative Scrapbooker Super Stock, Elizabeth Craft Designs stamps and dies, Tombow Dual Brush pens, blender pen, blending palette and adhesives, Tonic Studios Tim Holtz stamp positioner.

### Scraps of Info

Jackie used the Tombow Blending Palette for this super easy watercolour technique. The back of the palette has a colour wheel perfect for mixing and coordinating the Tombow Dual Brush pens.

# COLOURING WITH A BLENDER PEN

1. Stamp and emboss the Elizabeth Craft Designs stamps with Clearsnap ColorBox pigment ink and embossing powder on a white piece of Super Stock.

2. Lay colour down from Tombow Dual Brush pens on a blending palette.

3. Load the Tombow blending pen with colour.

4. Colour and blend the stamped images.
5. Cut out images with coordinating Elizabeth Craft Designs dies.
