# INSTRUCTIONS

- 1 Gather your supplies. Use the white cardstock as the base.

- 2 Cut TWO 12" x 1" strips from the Technicolor stripes. Adhere to top and bottom edges of base.

- 3** Use a scallop punch along the long edge of each of TWO 12" x 3/4" Blissful Blooms strips (green B side).

- 4** Place this below/above the stripes to complete the header/footer.

- 5 Place the top photo strip just under the top header, approximately  $\frac{1}{2}$ " from the outer/right edge. Place the bottom photo strip with the bottom edge just under the bottom footer, approximately  $\frac{1}{2}$ " from the outer/left edge.

- 6 Fussy cut two flowers from the Blissful Blooms paper.

- 7 Use foam adhesive to adhere the flowers to the left of the top photo and to the right of the bottom photo.

- 8 Place the pink "Family Time" embellishment at the bottom/left of the top photo collage. Place the pink/coral tab embellishment below the top photo strip, tucked in underneath.

- 9 Place the pink Envelope Embellishment to the right of the bottom photo strip. Tack on the agenda embellishment paper in the envelope (to be removable with journaling). Cut the Blue Tag from the Cutie paper and tuck it into the pink embellishment envelope.

- 10 Place a pink/coral row of heart embellishments to the left of the bottom flower, overlapping the green and striped border.

- 11** Using a manual die cut machine and Hippity Hop Vault metal dies, cut the following:
- \*\* both bunnies from Tied Together (yellow)
  - \*\* bows; one from blue in Technicolor stripes, another from pink hearts of Cutie
  - \*\* butterfly from Tied Together (yellow)
  - \*\* the letters for EGGSTRA from the coral in Technicolor stripes
  - \*\* "string" from Technicolor stripes

- 12** Adhere both yellow bunnies in the center white space between photos and apply bows. Adhere string between bunnies. Run EGGSTRA letters through 'adhesive applicator' (such as Xyron) and apply to "string" between bunnies.

- 13** Place a pink heart to the left of the left-hand bunny. Use tall gold letters to complete title ('Special').

- 14** Place yellow butterfly to the right outside edge of the pink envelope.

- 15** Place the blue 'This Happened' tear-part strip Embellishment to the right of the top/header flower.
